## SLT Minutes February 27, 2024

Mrs. Chang welcomed everyone to the February SLT meeting and asked for a review of the minutes. January minutes were approved.

### • **Safety Update**

Mrs. Chang explained the new policy regarding the new safety doors that have been installed. All who need to enter the building will need to ring the bell. The safety agent will be able to see them through the camera. Upon entering the building visitors will need to present picture identification.

### • **Mandated SLT Training**

Members of the School Leadership Team must complete the training provided by the city. Team members are engaged in the online training together.

### • **Open Forum-**

Discussion arose regarding the 2<sup>nd</sup> grade swimming classes. There was a question posed about a student almost drowning. Mrs. Chang assured the team that if there was such an incident, she would have informed the entire school community.

Another question about testing dates and procedures was asked. ELA test will be administered, April 11-12, Math will take place on May 7-8, and Science is May 15th. Ms. Samolis is working with all teachers to ensure that students receive the appropriate modifications and accommodations.
